**WORLD OF WEALTH,
DESIRE, & BETRAYAL**

Orphaned as a baby, nineteen-year-old Signa has been raised by a string of guardians, each more interested in her wealth than her well-being—and each has met an untimely end. Her remaining relatives are the elusive Hawthornes, an eccentric family living at Thorn Grove, an estate both glittering and gloomy. Its patriarch mourns his late wife through wild parties, while his son grapples for control of the family’s waning reputation and his daughter suffers from a mysterious illness. But when their mother’s restless spirit appears claiming she was poisoned, Signa realizes that the family she depends on could be in grave danger and enlists the help of a surly stable boy to hunt down the killer.

However, Signa’s best chance of uncovering the murderer is an alliance with Death himself, a fascinating, dangerous shadow who has never been far from her side. Though he’s made her life a living hell, Death shows Signa that their growing connection may be more powerful—and more irresistible—than she ever dared imagine.

Together we take bets on who is going to go home and who is going to create the best dish. Sometimes we even learn cooking tips we can try at home! Both shows can be streamed with Hulu, if you don't catch them in their current season on FOX.

The library has a variety of cookbooks based on the TV shows and celebrity chef/host Gordon Ramsay. Check them out and test your cooking skills!

As a biracial, unenrolled tribal member and the product of a scandal, Daunis Fontaine has never quite fit in—both in her hometown and on the nearby Ojibwe reservation. When her family is struck by tragedy, Daunis puts her dreams on hold to care for her fragile mother. The only bright spot is meeting Jamie, the charming new recruit on her brother's hockey team.

After Daunis witnesses a shocking murder that thrusts her into a criminal investigation, she agrees to go undercover. But the deceptions—and deaths—keep piling up and soon the threat strikes too close to home. How far will she go to protect her community if it means tearing apart the only world she's ever known?

CORNER TO THE PAST... Special Collection

In October of 2017, the Fennville District Library unveiled a special collection of military and war materials. An assemblage of books and artifacts were donated from the family of Dr. Kenneth Kratzer and by Jack-John R. Nash.
