

BETWEEN THE COVERS

Dear Fennville District Library Patrons,

Thank you for your continued patience and support while our parking lot construction stretches through the summer. The library continues to be open during our regular operating hours to serve you. Reserved parking is available on the west side of the building in the Allegan Credit Union parking lot. A ramp to our temporary exit and entrance, and drop box for library materials, are conveniently located on this side of the building as well.

You might wonder why you see some of the construction crew going back and forth between the library and the splash pad project downtown. This is because the same company is working on both projects! We ask, that for your safety and the safety of the construction workers, that you please stay clear of the construction site at all times.

If you have any questions please don't hesitate to call us at 269-561-5050.
